# Classroom Expectations

## **KYHFOOTY**

A school and classroom expectation... Keep your hands feet and other objects to yourself.

## **Listening to the Teacher**

We face whomever is speaking. We keep a bubble in our mouth unless we are speaking.

## **Quiet Walking Feet**

We get to run outside at recess and when at PE. All other times we have quiet marshmallow feet.

## **Share \ Take Turns**

This is something that is very hard to do... we share or take turns with everything in the classroom and outside at recess.

## **Use Inside Voice**

At recess we can be a voice level 5 but all other times we will be a voice level 0-3.
